

ARRIVAL AND REGISTRATION TO EUROPEAN HUMANITIES UNIVERSITY

STAGE 1 / BEFORE ARRIVAL

- 1) Obtain a National D** type visa for studying in Lithuania (if applicable). We advise you to constantly check information regarding visa issuance policy (provided by the visa center and the Lithuanian Embassy at your country of residence).
- 2) Fill in** the **arrival registration form**. There you need to provide information about your arrival time and place. For any changes please contact **international@ehu.lt**
- 3) Check** the **list of the affected countries (updated every week)**.
- 4) Arrange the place of residence** for the self-isolation period **if you are not vaccinated**.

STAGE 2 / ENTRY REQUIREMENTS

Entry requirements are based on **ECDC guidelines** and are marked in different colours.

Third countries (non-European Economic Area countries) that are not included in the maps are classified as grey area countries. Arrival for not vaccinated/recovered tourists is permitted from countries on the list **here**.

I'M VACCINATED / RECOVERED

Green/orange/red/dark/ countries
(For more details view **here**)

- No Covid- 19 test
- No self-isolation

I'M NOT VACCINATED/RECOVERED

Green countries
(For more details view **here**)

- Negative test before arrival (PCR test must be taken within 72 hours before arrival, antigen test- 48 hours before arrival. The document should be prepared in one of the official languages of the EU).
- No self-isolation

Orange countries

- Negative test before arrival
- PCR test between 3rd-5th day upon arrival
- No self-isolation

Red/dark/ countries
(For more details view **here**)

- Negative test before arrival
- Self-isolation (for 10 days from the day of arrival. You can take a test (at personal expense) on the 7th day of self-isolation).

WHEN ENTERING LITHUANIA YOU WILL NEED

I'M VACCINATED / RECOVERED

- If vaccinated or recovered bring an international certificate/document (in one of the official EU languages) proving that or EU Digital COVID Certificate
- Fill out a **questionnaire** 48 hours before arrival

When I am considered fully vaccinated:

- **Comirnaty (Pfizer/BioNTech)** – 2 weeks after 2nd shot
- **Janssen** – 2 weeks after single-shot
- **Spikevax (Moderna)** – 2 weeks after 2nd shot
- **Vaxzevria (AstraZeneca)** – 2 weeks after 2nd shot
- **If recovered** – 2 weeks after 1st shot

I'M NOT VACCINATED/RECOVERED

- **Travelling by coach, rail, air and sea:** Receive a negative COVID-19 PCR test within 72 hours or antigen test within 48 hours before arrival (for arrivals from orange countries additional PCR test between 3rd-5th day upon arrival)
- **Travelling by car:** Receive a negative COVID-19 PCR test within 72 hours or antigen test within 48 hours before arrival, or 24 hours upon arrival (for arrivals from orange countries additional PCR test between 3rd-5th day upon arrival)
- Fill out a **questionnaire** 48 hours before arrival

STAGE 3 / ACCOMMODATION

Please be aware that EHU does not have its own dormitories, therefore it is the students' responsibility to find a place to stay. However, we are always ready to help - please send the request via email international@ehu.lt. We will try to help you.

Most students choose to live in apartments in central Vilnius, sharing them with fellow students. If you would like to find an accommodation on your own, please check the information below:
