

GET ENGAGED 2022:

SPRING COURSE ON CIVIC ACTION AND RESEARCH

What is the Get Engaged Spring OSUN course?

- 2 credit course
- Tuesdays and Thursdays 8:40am NY
- Summer in-person conference in Budapest (Covid permitting)
- Open to ALL MAJORS

Course description:

Students will do participatory research and engagement that explores the structure of civil society organizations, the socio-political environment in which they operate, including the intersection between government and civil society, the root causes of social issues that they are attempting to address, and the context in which the community is addressing the issue.

Students are required to apply for the course.
