The aims of the Conference are:

- to stimulate the implementation of high-quality academic research by students on topical issues in the field of social sciences (political sciences, law, economics, media and communication, sociology, gender studies, psychology) of the present and the future;
- to carry out internationalised advanced research and exchange ideas;
- to expertise by students with supervision of academics.

Following the conference, a peer-reviewed collection of student research publications is planned (electronic edition).
